Policy:

The Governing Board recognizes that the school has a responsibility to protect students by facilitating the prompt reporting of known and suspected incidents of child abuse and neglect. The Director or designee shall establish regulations for use by school employees in identifying and reporting such incidents.

School employees are obligated to report all known or suspected incidents of child abuse and neglect in accordance with law, Board policy, and administrative regulation. Employees shall not investigate any suspected incidents but rather shall fully cooperate with agencies responsible for reporting, investigating and prosecuting cases of child abuse and neglect.

Parents/guardians may file a complaint against a school employee or other person whom they suspect has engaged in abuse of a child at a school site. The Director or designee shall provide parents/guardians information about reporting procedures in accordance with law.

The Director or designee shall provide training regarding the reporting duties of school employees mandated by law to report suspected child abuse and neglect.

In the event that training is not provided to the employees mandated to report child abuse and neglect, the Director or designee shall report to the California Department of Education the reasons that such training is not provided. (Penal Code 11165.7)

**Procedure:**

1. Whenever any mandated reporter, in his/her professional capacity or within the scope of his/her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect, that mandated reporter shall report to any police department, sheriff’s department, county probation department if designated by the county to receive such reports, or the county welfare department.

2. The mandated reporter shall make this report by telephone immediately or as soon as practicably possible. (Penal Code 11166)

3. When the telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.
4. The reporting duties are individual and cannot be delegated to another person. Reporting the information to an employer, supervisor, Director, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

5. When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

6. No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

7. Any person not identified as a mandated reporter who has knowledge of or observes a child whom he/she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

8. Within 36 hours of receiving the information concerning the incident, the mandated reporter shall prepare and send to the appropriate agency a written report which includes a completed Department of Justice form. (Penal Code 11166, 11168)

9. Mandated reporters may obtain copies of the above form from either the school or the appropriate agency.

10. Reports of suspected child abuse or neglect shall include, if known:

   - The name, business address and telephone number of the person making the report and the capacity that makes the person a mandated reporter

   - The child's name and address, present location and, where applicable, school, grade and class

   - The names, addresses and telephone numbers of the child's parents/guardians

   - The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

   - The name, address, telephone number and other relevant personal information about the person(s) who might have abused or neglected the child

11. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her. (Penal Code 11167)
12. Information relevant to the incident of child abuse or neglect may also be given to an investigator from an agency that is investigating the case. (Penal Code 11167)

13. Employees reporting child abuse or neglect to the appropriate agency are encouraged, but not required, to notify the Director or designee as soon as possible after the initial telephone report to an appropriate agency. When so notified, the Director shall inform the Director or designee.

14. The Director or designee so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy and administrative regulation. At the mandated reporter's request, the Director may assist in completing and filing these forms.

15. The mandated reporter shall not be required to disclose his/her identity to the Director. He/she may provide or mail a copy of the written report to the Director, Director or designee without his/her signature or name.

Upon request, a representative of an agency investigating suspected child abuse or neglect may interview a suspected victim during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child.
